

# Technical Data Sheet

| Product Code       | OPSI Fast Naphthol Red F3RK                                                                                  |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Color              |                             |
| Color Index Number | Pigment Red 170                                                                                              |
| CAS Number         | 2786-76-7                                                                                                    |
| PH Value           | 6-8                                                                                                          |
| Oil Absorption     | 40-45                                                                                                        |
| Heat Resistance    | 180 (°C)                                                                                                     |
| Light Fastness     | 7                                                                                                            |
| Acid Resistance    | 5                                                                                                            |
| Alkali Resistance  | 5                                                                                                            |
| Oil Resistance     | 5                                                                                                            |
| Water Resistance   | 5                                                                                                            |
| Use                | It is a yellowish shade naphthol red with opaque and good lightfastness,chemical resistance for screen inks. |
